Ad Hoc Committee on Membership Classes

Report in March Bulletin.

Considerations: Life membership fee may be too low.  
Some recognition should be given to  
each type of membership, including  
some privileges.

Funds spent - None

Expense Estimate for '73 - None

Note about membership: A Minnesota member who joined at end of July 1971 was provoked when her \$7.50 membership only ran to the end of the year. She dropped. We will have to consider the customer if we are going to build membership or make membership available only at the beginning of

the year. It was of little consolation to her that she received all the yearbook + bulletins for the year. Members tend to look at their annual membership in terms of time - 365 days I think we could improve in this area.
